## Celebrating 43 years

Halloween 2013

Dear Parents,

We realize how much fun Halloween can be for children. To help you continue to make this a safe and happy Halloween for your children, Community Schools and Youth Centers of the Department of Human Service Programs will be sponsoring parties and other events, around the City. The libraries, Fire Department, and other community organizations are also planning events, which are listed in this brochure.

We are working in partnership with other City departments to insure a safe and enjoyable Halloween for your children.

Sincerely, Community Schools Staff

## Halloween Trick or Treating Tips

- Costumes should be non-flammable, light in color or with reflective tape, and shouldn't block vision.
- Use non-toxic makeup.
- Have children go only to neighborhood houses or people they know. Know their route and time of return.
- See that older children go out in groups of three or more and carry flash lights.
- Young children should be accompanied by adults.
- Children should avoid carrying sharp objects.
- Warn children to stay away from strangers and not to take anything from them.
- Discard candy with loose or open wrappings. Cut fruit into small pieces to make sure there is nothing inside.
- Cover the rules of traffic safety with your children. Have children stay on sidewalks.
